THE HON'BLE SRI JUSTICE L.NARASIMHA REDDY

WRIT PETITION No. 9594 OF 2007

ORDER:

The grievance of the petitioner is that the respondents are constructing open drains in their village, in such a way that hardly any space is left for traffic, on the road. The petitioner claims to have made a representation, dated 25.4.2007, to the respondents, pointing out his grievance, and seeks appropriate direction, in this regard.

Heard the learned counsel for the petitioner and learned Government Pleader for Roads and Buildings.

The petitioner had already made a representation, dated 25.4.2007, narrating the various aspects of the matter. It is stated that the width of the side drain is so wide, compared to the road, that there is every likelihood of the children and vehicle falling into it.

The writ petition is disposed of, directing the respondents, to take the representation of the petitioner, dated 25.4.2007, into account, before executing the work in question. There shall be no order as to costs.
